Cover Story

If you had to sum up 1983-84 on a note card, what would you write? There was so much that happened. It was a year when people wore torn clothes, when space missions became a mundane occurrence (except when they involved the first American woman in space), when Oklahoma was faced with massive state budget cuts while the rest of the nation recovered. It was a year of the Olympics and of a very cold winter. It was the year of George Orwell's famous book, 1984, when "Freedom was Slavery" and "Big Brother was watching you."

But those aren't the things we'd write on our note card. We'd write about classes, proms, senior class trips, football games, homecomings, and band trips. We'd write about FHA, FFA, FCA, and FYS. We think of the 1984 DEMON as our note card—a reminder of the people and events of the 1983-84 school year.

Caryn Hughes and Tammy Johnson show their aversion to sunlight at the Mother/Daughter Softball Game.

Mr. and Miss P-THS
Bobby Buck and Julie Payne

This year's Mr. and Miss P-THS are two very active students in the Perkins-Tryon school system.

Julie Payne has been a great asset to her class serving as president her junior and senior years and secretary her sophomore year. She has been a starting forward for the Demonette basketball team. Julie has also been a cheerleader and a member of FHA, FCA, Pep Club, and Student Senate.

Her plans at the moment are to attend Oklahoma State University.

Mr. P-THS, Bobby Buck, has attended Perkins-Tryon schools for all twelve years. He has participated in football and baseball and received honors in both sports, including All-Area in football and Honorable Mention All-State in baseball. Bobby not only enjoys playing sports, but hunting and fishing in his spare time. His plans are to attend college and play baseball.

Honorary Mr. and Mrs. P-THS Paul and Anna Marie Evans

Mr. and Mrs. Evans have become virtual institutions at Perkins-Tryon High School.

Mr. Paul Evans has been teaching vocational agriculture for nearly forty years. Mrs. Anna Marie Evans has been teaching English, journalism, shorthand, office practice, language arts lab, and gifted English at different times since 1961. It is for their dedicated service that the 1984 Demon staff has selected them as "Honorary Mr. and Mrs. P-THS."

Why did the Evanses stay in the P-T area for so long? "We thought it was the ideal place to raise our three children," said Mrs. Evans. Their children, Paula, Mary Ann, and Bob are all Perkins graduates.

Both Mr. and Mrs. Evans have masters' degrees from Oklahoma State University plus thirty hours of additional college work.

"We've enjoyed seeing students develop into successful adults," said Mrs. Evans. Mrs. Evans feels the curriculum has evolved and that there are more facets to education than when they first began teaching.

The Demon staff joins the school in wishing Mr. and Mrs. Evans the happiest of futures.

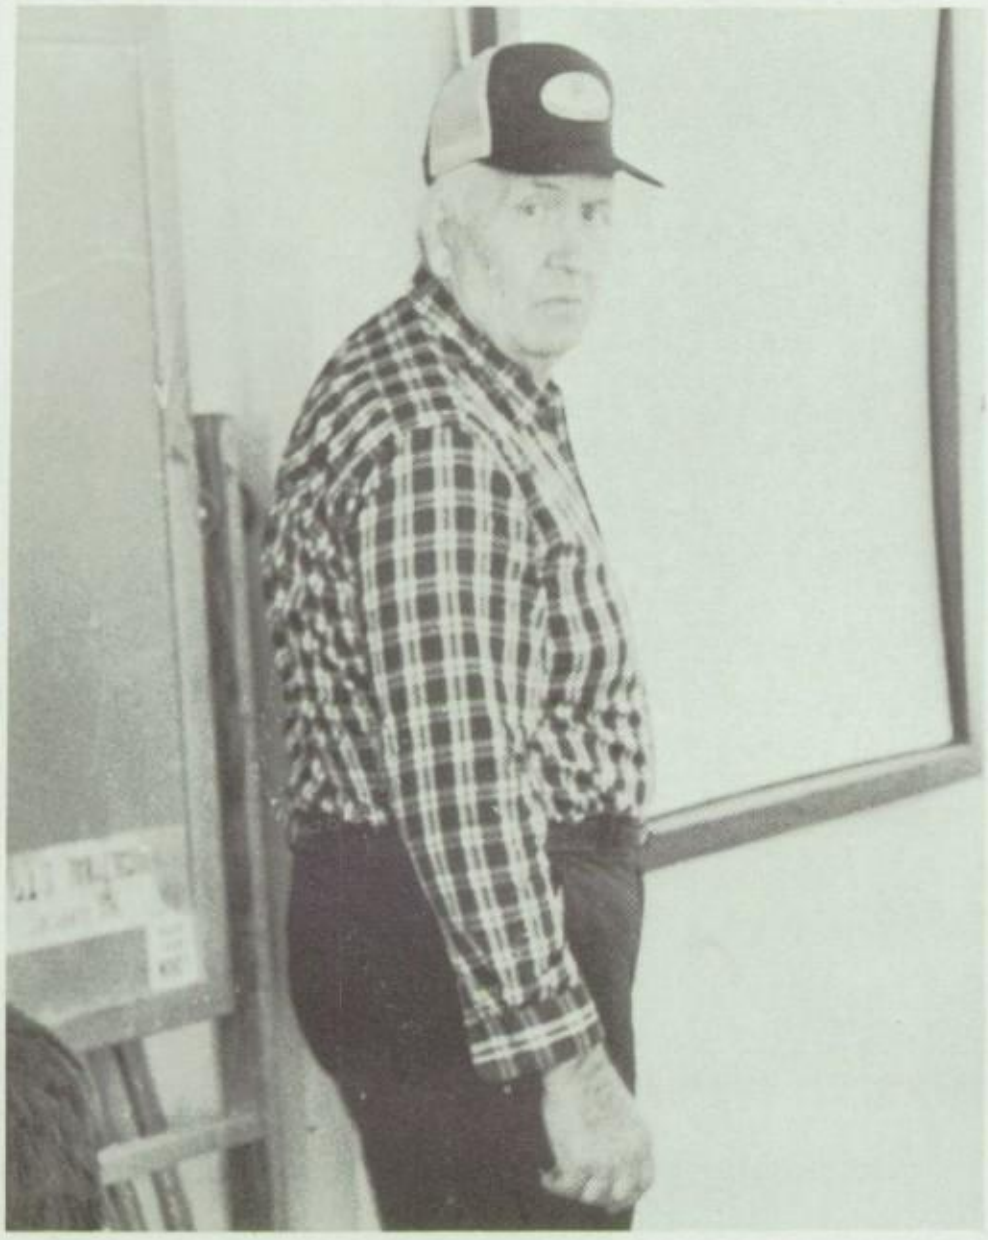
Vocational Agriculture is a very beneficial class at Perkins-Tryon High School. It is a class that takes a lot of hard work and dedication but is very rewarding. It teaches students new skills with which they can accomplish even after high school. A lot of thanks goes to our wonderful ag teachers, Mr. Evans and Mr. Jennings.



Mr. Evans doesn't seem to be overly excited about the class disturbance.

Midnight Regiment

P-T's very own "ringmasters" in "Barnum and Bailey's Favorite."

Seventeen Seconds. It doesn't sound like much, but to many of the Midnight Regiment members it was all the time they needed to make this year the best as far as ratings go. At district competition the Regiment received superior ratings from all the judges, but due to a misinterpreted rule (which made them seventeen seconds short of marching time) the band received an excellent rating. The band, however, came marching right back. At the Redskin Review, which was held in Skelly Stadium, they not only won their class, but took "best drum line of the day" and fifth place honors against bands up to sixteen times as large as Perkins-Tryon. This was a great accomplishment in itself. They took it one step further, however. They travelled to the Oklahoma Bandmasters' Association contest, which was held in Norman, and once again placed first in their class, while taking ninth place honors overall. This kept the Regiment's running record of having not lost a contest in the past seven years.

After months of hard work, th concert band once again prove that they are the best in th state. It was a year of ups! Th first contest the band compete at was district. After a few shak moments, the band cam through. They received superio ratings in both concert and sigh reading as well as many goo compliments from the judges. P T also took many solos and en sembles to district. Out of thes ensembles, P-T brought hom one good rating, two excellen and 15 superior ratings.

The state contest was anothe big success for the band. Th group not only excelled, but wa one of the two bands that re ceived superior ratings in the class. The soloists and ensemb lists once again were well a claimed by all the judges.

A spring concert ended th year for the band. During th concert the seniors were reco nized for their many hours hard work and dedication. Th concert was an excellent fina to another outstanding year.

After several public appearances, which included Dannysday, basketball games, and the Westhaven Nursing Home, the band began preparing for the Oklahoma State University jazz festival.

The decision to go to state jazz contest was a question that had not been answered up to this point. Many felt it was a good time for the band to take an absence from the contest. Others, however, felt it was their last opportunity to go. After much debate it was decided the band would go for number eleven. They came back the state jazz band champs, making P-T the state champions for the eleventh year in a row!

The jazz band ended the year with their most important concert. They held an excellent performance for the "home crowd." The concert featured guest soloist, Paul Montemurro. CONGRATULATIONS, JAZZ BAND, for once again a spectacular year!

The Perkins Future Farmers of America is a great organization.

In our FFA we have several judging teams, such as welding, farm structures, dairy, meats, livestock, and electricity.

Our FFA participates in many such judging contests during the year which lead up to state competition held at Oklahoma State University in April.

However, there are many things to do besides judging. Just being in one of the Agriculture classes can be a learning experience. Whichever way a student goes he has the opportunity to learn with Hands-on experience.

The Perkins FFA is helping to keep "America on the grow."

The good news for the 1983 P-T Demon football team was that they made the state playoffs for the third straight year. The bad news was that they suffered a five-game losing streak in the middle of the year and finished 3-8 on the year.

First year head coach Greg Gorman's troops found themselves with a lack of depth, inexperience, injuries, and a disease called "fumblitis T.D."

Two of P-T's losses came to state semi-finalist Prague. The Demons opened up the season by losing to the Red Devils 6-32 and then were beaten by them in the playoffs 8-21.

P-T got into the state playoffs by finishing runner-up in the district. The Demons lost the District championship game to Newkirk 27-28 in the regular season finale.

On the bright side, P-T placed five members on the All-District team. Seniors Victor Wall, Joel Robbins, Harlan McKosato, Bobby Buck, and Steve McDaniel were chosen. These five and juniors David Cypert and Joe Hoover were picked for the All-Area team, as well.

Basketball

The 1983-84 Demonette basketball team had a very fun and exciting year. When the going began to get tough, the determination and dedication was evident. They set a goal early in the year to win at least ten games. Not only did they reach their goal, the girls also added a very memorable moment to the year when they captured the first place trophy of the Olive Invitational Tournament.

The team members consist of (back row) Coach Skip Frazier, Dayna Caldwell, Caryn Hughes, Cindy Field, Teresa Lile, and Coach Roger Antle. The Perkins-Tryon Demon basketball team, after getting off to a 3-8 start, rebounded and came back strong to earn a berth to the area tournament and fell two games short of reaching the state tourney. P-T finished the year 15-12.

Coach Don Bendure's team won the district championship for the second year in a row and finished runner-up in regionals before bowing out in a close (62-64) game in the opening round of area to Dale.

P-T lost four seniors off the club this year in Harlan McKosato, Steve McDaniel, Mark Littlefield, and Glen Johnson. McKosato and McDaniel, who were first and second in scoring, collected many post season honors including honorable mention All-State.

The Demons showed their home court dominance in the last five home games when they defeated their opponents by an average of 23 points a game.

It was a season of ups and downs for P-T but the success of the team and the closeness of the coaches and players outweighed all the disappointments.

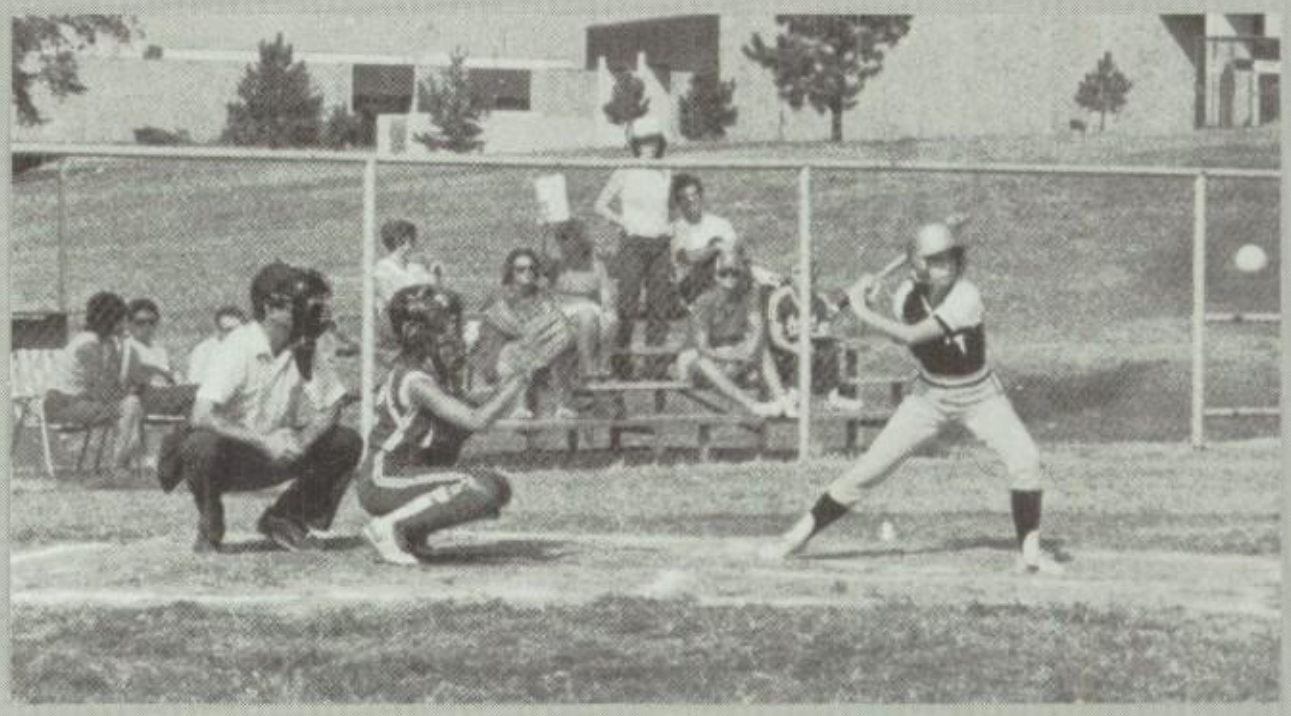
We were a very young team.—Antle



Jennifer Gibson prepares to 'knock one out of the park.'

Our 1983 season was a season of inexperience and adjustment. We were a very young team having a starting line-up that usually consisted of two seniors, one junior, and six sophomores.

We matured a lot during the 1983 season. Out pitching improved and our self-confidence increased with each game.

We have a very sound ball club returning and with the help of some good freshmen next year, we hope to be able to compete with anyone.

One of our 1984 goals is to win district.

I was very proud of our girls and I am looking forward to the '84 season.

We will miss our 1983 seniors, Caryn Hughes, Tammy Johnson, and Stacy Thurman. We appreciate the solidity they brought to this ball club, and we wish them the best of luck in the future.

"We accomplished most of our team goals."—Coach French

THE 1983-84 BASEBALL TEAM—Front Row: Greg Wolfe, Kenny Sylvester, Frankie Blumer, Joe Hoover, Jody Pate, Mike Spillars, Jonathan Wampler. Back Row: Coach McBride, Bobby Buck, John Luster, Scott Briggs, Rex Branstetter, Greg Rose, Mike Buck, Rick Mahar, Corby Doyle, and Coach French.

Bobby Buck set a national record for most RBI's in one game, six. Below, Joe Hoover set a national record for most stolen bases in one season, seventy-five.

Lori McLemore and Jana Smith, Demon Diamond Dolls, grimace for the camera and show their enthusiasm.

Under the guidance and control the always unpredictable Allan French, the Demon baseballers put together an impressive 22-6 record while setting numerous state and national records. The Demons were led by the consistent playing of their senior leaders, Bobby Buck, Mark Littlefield, and Kenny Sylvester. Buck and Littlefield were the heart of the pitching staff while Sylvester held together a young infield. The Demons advanced into the Regional Tourney, but were stopped two games short of reaching state. The team placed second in state high school history with a team batting average of .440.

Our congratulations go to the Demons, and especially the Seniors. Good Job!!

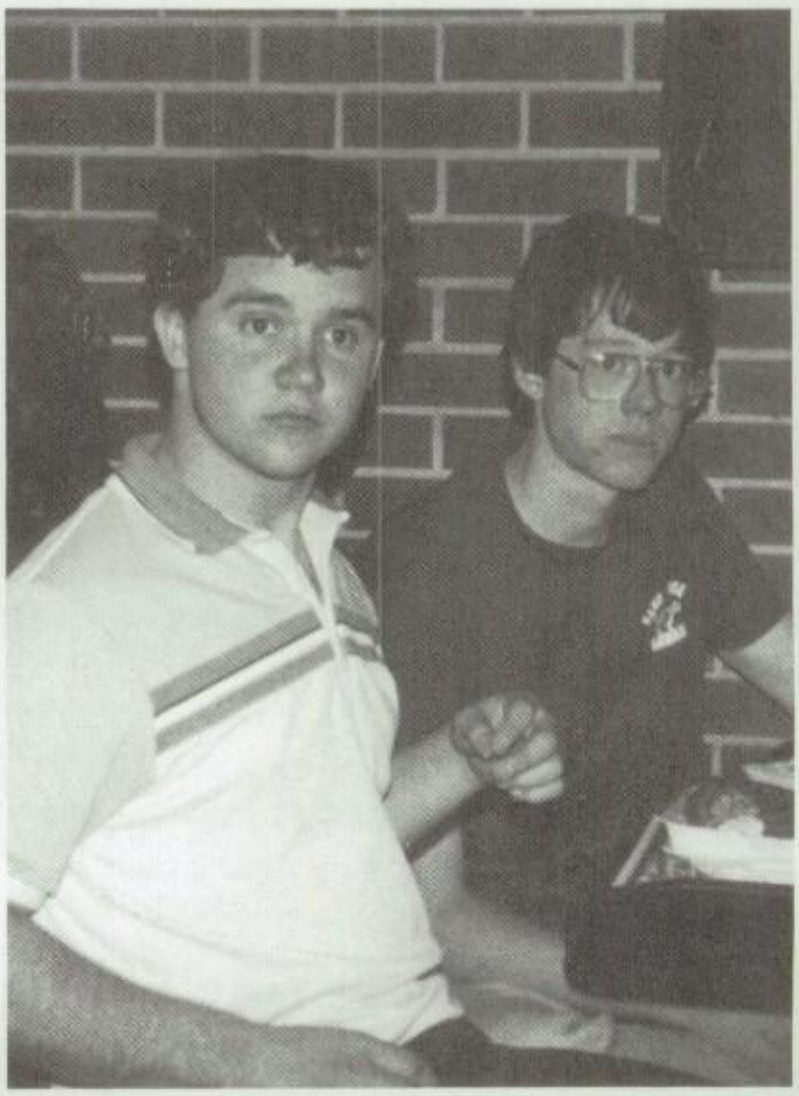
COLORADO OR BUST!

Leslie Owsley, Karen Kirby, and Daryn Casey have a fiesta at Casa Bonita.

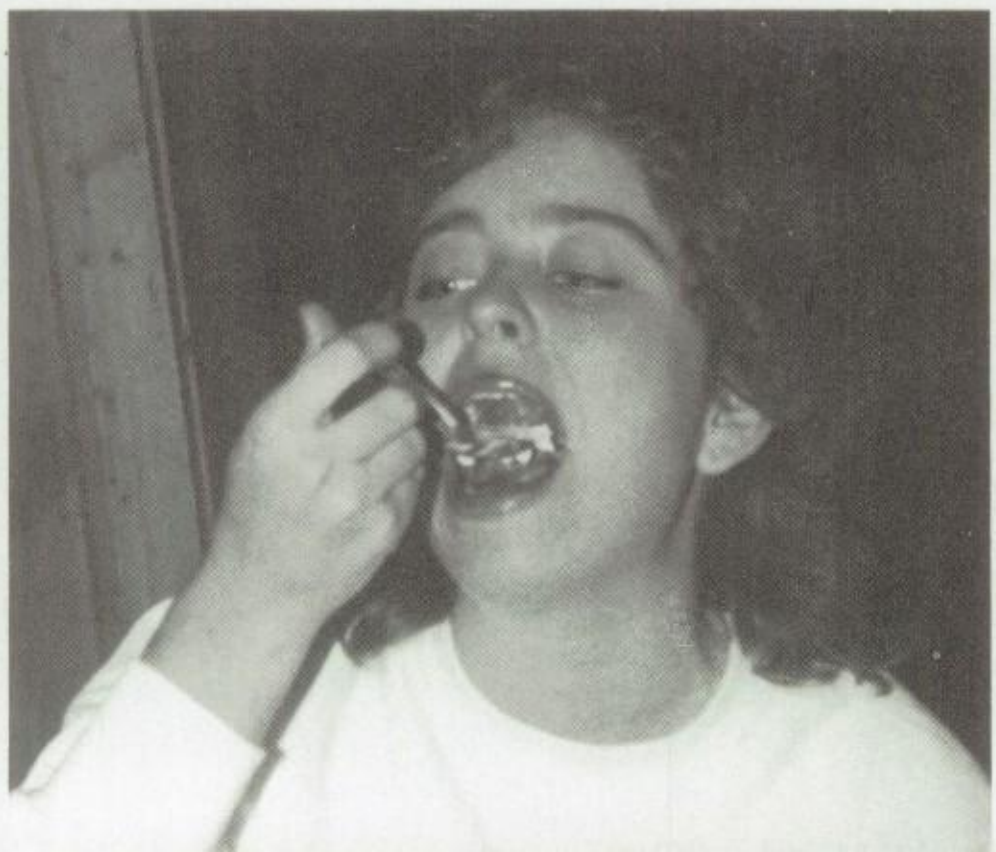
Bruce Brownell and Caryn Hughes sightsee while others nap.

Stacy Thurman and Caryn Hughes are ready to hit the slopes.



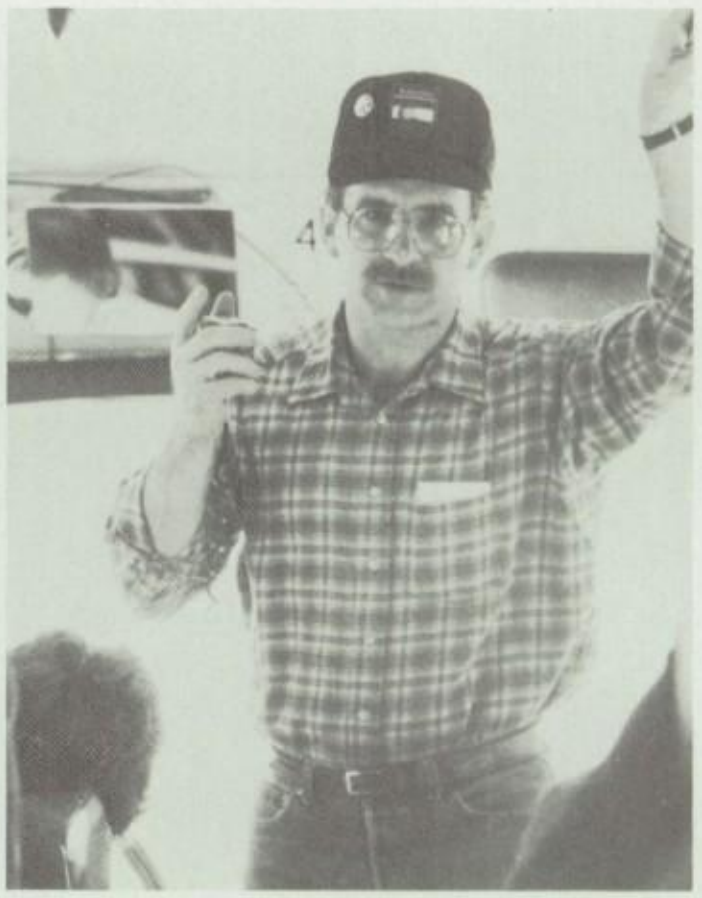
Seems not only the eggs were fried at McDonald's, as Dennis Strickland and Van Hawxby adjust to the early hours.

Tammy Johnson takes the phrase, "Gag me with a spoon," literally.



Whooshka!

Caryn Hughes and Connie Kirby try their hand at spoon-hanging.



Mr. Dotson lays down the law.

It was a desolate Friday night in Perkins, Oklahoma. At 10 P.M., 25 seniors and eight sponsors boarded a Kremlin Bus for the sixteen-hour bus ride to Deer Valley. Excitement started when our bus was pulled over by a Coyle police officer for driving 33 m.p.h. in a 30 m.p.h. zone.

At 10 A.M. Saturday, we arrived at the wonderful Royal George (or is that Gorge?). After riding the tram, riding the inclined railway, and visiting the gift shop, we loaded the bus and headed for Salida. In Salida, we ate pizza for lunch. Then, on to the long-awaited Deer Valley Ranch.

On Sunday a few seniors and sponsors decided to try their hand at cross-country skiing while the rest of us lounged around.

Monday and Tuesday were ski days. We skied at Breckenridge for both days. Everybody did well.

Wednesday, most everybody slept late; at 11:30 A.M. we loaded the bus for the trip to Denver. The surprise stop was at the Museum of Natural History for two hours. The next stop was Casa Bonita. After everybody had munched down we loaded the bus at 8:00 P.M. for home.

At 8:30 Thursday morning, 25 seniors and eight sponsors arrived safe and sound in Perkins, Oklahoma.

School vandalist, Connie Kirby, strikes yet again. This time she is caught "cheesing" a mirror at Deer Valley Ranch.

Dennis Strickland, Connie Kirby, Daryn Casey, and Van Hawxby after an evening on the town.

Moonlight and Roses

Michelle Bates and Van Hawxby try out the gazebo. Seems to fit rather good!!

Joel Robbins and Tammy Johnson "get down" to the music!

Frank and his date "show their stuff" during the dance contest, which they won.

Dewayne Huff, Jeree Youngker, and Elizabeth Gaches try to escape the Student Union without getting caught by campus security. Good Luck!!

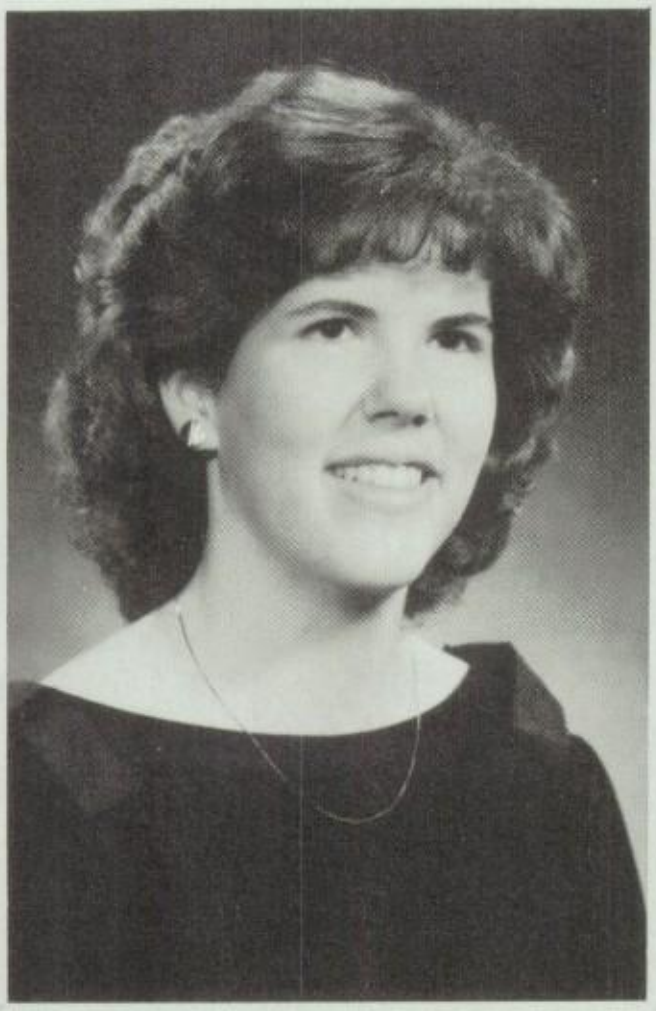
The prom was thoroughly enjoyed by everyone. Good job, juniors!!

It's twelve o'clock and we know where your children are!

What could B. Trimble have done to C. Hughes? T. Wolfe and H. Hansen seem to know!

Down the hall and to the right, Carol!

Valedictorian/Salutatorian



CONNIE KIRBY

One of the greatest accomplishments a high school student can achieve is being selected the Valedictorian of his/her class. Connie Kirby, who has attended the Perkins-Tryon school system for thirteen years, received that honor by maintaining an unmarred gradepoint of 4.0.

Connie, daughter of Dr. and Mrs. James Kirby, has not only excelled in curricular activities, but has also been a standout in many other areas as well. She has been in band, jazz band, student council, student senate, and PTLA.

Connie was also selected to receive many honors throughout high school. These include drum major, band queen, Most Likely to Succeed, Girl's State alternate, National Honor Society, and the Society of Distinguished American High School Students. Connie also received an Oklahoma State University Academic Scholarship and the Elks Foundation Oklahoma Special Scholarship for her academic excellence.

Connie's future plans include attending Oklahoma State University and majoring in sociology.

1984

KAREN KIRBY

Salutatorian for the 1984 graduating class is Karen Kirby. Karen is the daughter of Dr. and Mrs. James Kirby. She has attended P-T for thirteen years and well deserves the honor of salutatorian.

If there was an award for accomplishments and dedication in and out of school, Karen would probably take the award hands down. Karen did many things for the school that would possibly never have been done if it wasn't for her. She accomplished much of her work through her involvement in extra-curricular activities. These activities include: Student Council Vice President, Student Senate Chairperson, FHA, jazz, marching, and concert bands, and choir.

Karen was awarded for her excellence and achievements through both scholarships and honors. She was named to Who's Who Among American High School Students, Most Scholastic, band queen attendant, OSU and OBU honor bands, National Honor Society, and Oklahoma Honor Society. That's not to mention a $500 scholarship and the President's Leadership Scholarship from Southwestern Oklahoma State University in Weatherford.

Karen's plans include attending Southwestern Oklahoma State University and entering the field of Medical Technology.

In Memoriam

Lacey Robinson
1976-1984

Second-grader Lacey Robinson lost her three-year fight against cancer on February 13 of this year. Throughout her battle with the terrible disease, Lacey maintained a happy attitude. It was for her cheerfulness during her illness that she gained the love, sympathy, and respect of her classmates and everyone who knew her.

Lacey and her brother, Morgan—December 1983.

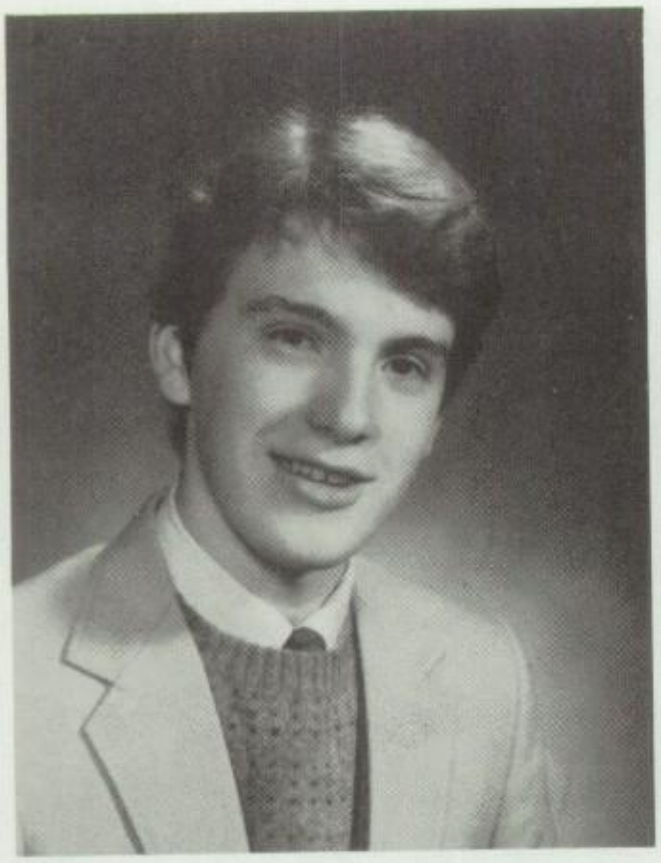
SORRY!

We regret that there were no pictures of our bus drivers, Bret Slusser, Joe Hooser, Lyle Rainbow, Wanda Rainey, Dan Shotwell, Louise Springer, Ruth Hall, Robert Fields, and Ester Schritter.

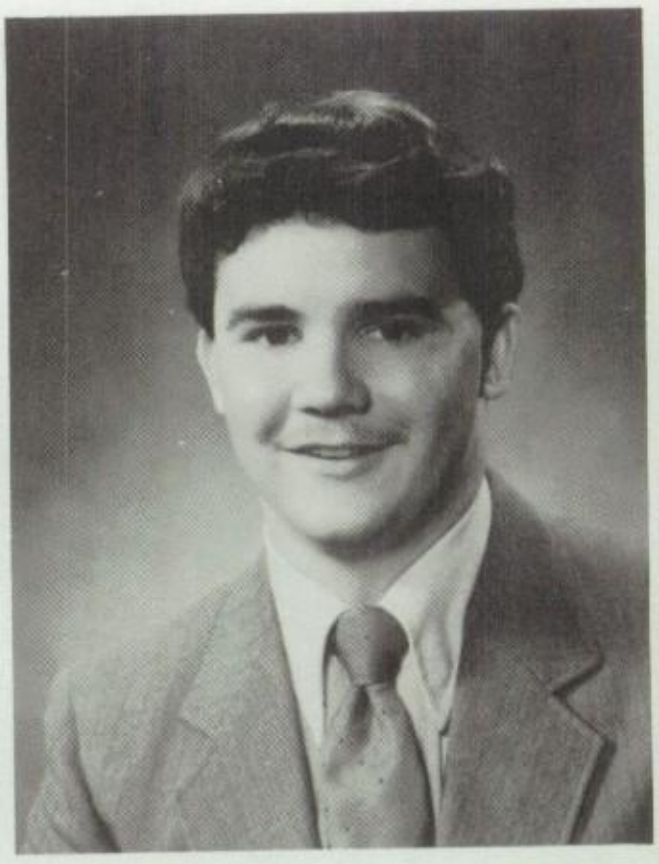


I hope you've enjoyed this year's DEMON as much as we've enjoyed bringing it to you. There were times we thought we might go crazy, but in the end it was worth it. The people who deserve thanks are too numerous to mention, but if you know who you are . . . THANKS!

Daryn D. Casey

I personally would like to thank Mrs. Platt for all her help and support throughout the year. Mr. Ford is responsible for the aerial photograph of the school. And last, but not least, I'd like to thank Daryn, Dennis, and the whole staff for producing this fine yearbook.

Leslie C. Owsley



This has been a great year. I feel this yearbook is one of the best ever! I would like to thank the students, faculty, and the whole yearbook staff for making it all possible. Without them this yearbook would have been nothing but blank pages.
